

# A Night at the Races

## Seatoun School PTA Fundraiser

The Seatoun School PTA works closely alongside the school to fundraise and organise social events that maintain and build upon the schools close links with its community.

This year our main PTA fundraiser is about experiencing 'A day at the Races....at Night'! The committee have created a fun evening for families and friends of Seatoun School to mingle with friends, place some bets, have a few laughs and dance the night away.

**When:** Saturday 25 June from 7:30pm until late  
**Where:** Seatoun School Hall  
**Cost:** \$50.00 per person.

Each guest will receive:

- Seatoun school' betting money'
- A glass of bubbles on arrival, finger food and super
- A race booklet

There will be a 'best dressed' competition. Guests are encouraged to come wearing their racing hats or even dressed as a jockey! The committee will also be running two fantastic auctions during the course of the evening.

A cash bar with EFTPOS will be operating selling a variety of wine, beer and non-alcoholic beverages. Once the Sponsored races have run, the hall will transform in to a 'boot-party'. Music will be provided by a DJ with well known tunes.

A 'Seatoun School bank' where guests can exchange real money for betting money will operate during the evening.
