

Seatoun School
2012
Year 7 & 8 Stationery List

Dear Parents

Your child will require the following stationary items.

Please note the school does not sell stationary. Items are readily available at all major stationary retailers, including the Seatoun Bookshop. When purchasing items, please ensure they are of good quality. Some books have inferior paper, crooked lines or weak bindings.

It is important that students have all stationary items to begin the school year. Each individual item should be clearly marked with your child's name and room number (i.e each felt pen and coloured pencil!) Items such as pens, pencils, glue sticks, rubbers, will need to be replaced during the year if they are used up or lost. Please do not send blue or green pens, as teachers use these colours for marking.

All students must also have a clearly named sunhat in their school house colour.

Thank you

Anne McLellan

Number required	Item Code/ Description
