Year 3 & 4 TRUMP Challenge

- The Challenges are the same for both class levels, however the minimum number of Challenges differs
 - Y3 must complete a minimum of 7 challenges
 - Y4 must complete a minimum of 8 challenges
- You may do more than the minimum number of Challenges if you wish
- You must complete at least one Challenge from each section
- With the help of your parents and teacher, you may design your own Challenge in any or all of the sections
- A 'Design your own Challenge' must be approved by your teacher
- Participating in more than one sports team or group arts activity only counts as one Challenge
- Participating in more than one individual sport or arts activity only counts as one Challenge
- You need to try and complete one Challenge per term
- When you have completed a Challenge, it is your responsibility to meet with your teacher to show that you have completed it (self check, parent check and some evidence), and to book in a class 'sharing time'.
- It's quality that counts, so take your time and do each Challenge with excellence
- You earn 2 House Points for every Challenge completed and an additional 10 House Points if you complete the Y3&4 TRUMP Challenge
- If you complete all 7 or 8 Challenges, you receive a hat badge and certificate, and your photo goes on the following year's Y3&4 TRUMP Challenge student booklet
